

2018 WOODRIDGE BOOSTER CLUB SPRING MULCH SALE

**Checks should be
written to the
Woodridge
Booster Club!**

Woodridge Athletic Boosters

The Woodridge Athletic Booster Club is in the midst of a fund raiser that will serve all athletes as well as specific sporting groups. The group has entered into an agreement with John's Tree Service (off of Rte. 8 in Hudson) to provide **brown, double-shredded mulch** to the friends and families of Woodridge athletes. The mulch must be purchased in 5-yard minimum quantities, that is at least \$130. Additional mulch will be \$26/yard. This cost includes DELIVERY. Our athletic programs will receive \$6 for each yard ordered (minimum of \$30 to our athletic programs).

As you know, our athletes are among the finest equipped in our area. The Woodridge Athletic Boosters provides uniforms for ALL sports teams and our cheerleaders. They also assist in providing equipment to the athletic programs within our school.

If you are interested, please email Rick Sabo (rsabo@aqieng.com) to place your order. Please include an address, phone number, and email so we can contact you and ensure delivery times and places! If there is a specific sport you would like to support, please include that on the email as well.

Orders are being accepted NOW and will continue to be accepted throughout the spring.
